

TASCAM®

TEAC PROFESSIONAL

10. August 2010

Tascam support of current computer operating systems has been at the forefront of our product development since our first computer audio product. We are committed to providing our customers current solutions to their needs.

As of today, all current Tascam computer audio products have been tested OK for use with the 32-bit and 64-bit versions of Windows 7 and Mac OS X 10.6 “Snow Leopard”.
